Boundary Review Open House

Parents, students, school neighbors, and community members are invited to attend a Boundary Review Open House on January 21 from 6-8 pm at Cheldelin Middle School to share feedback on possible school attendance area boundary adjustments developed by the Boundary Review Task Force.

The task force was convened in December with the charge of balancing school enrollments across the district to avoid overcrowding, specifically at the middle schools. The committee includes representatives from all school boundary areas and staff liaisons.

Questions may be directed to Assistant Superintendent Melissa Harder at 541-766-4857.

Casa Abierta para la Revisión de Límites Vecinales

Los padres, estudiantes, vecinos de las escuelas y miembros de la comunidad están invitados a asistir al evento a Casa Abierta para la Revisión de Límites Vecinales el 21 de enero de 6-8 pm en la Escuela Secundaria Cheldelin para compartir su retroalimentación sobre los posibles ajustes a los límites del área de asistencia escolar desarrollados por el Grupo de Trabajo para la Revisión de Límites Escolares.

El grupo de trabajo fue convocado en diciembre con la encomienda de equilibrar las matrículas escolares en todo el distrito para evitar el hacinamiento, específicamente en las escuelas secundarias. El comité incluye representantes de todas las áreas limítrofes escolares y personal de enlace.

Las preguntas pueden dirigirse a la Superintendente Asistente Melissa Harder al 541-766-4857.
