

## From the District

### **Kindergarten Registration and Transfer Window start April 13**

The district transfer window and kindergarten enrollment for Corvallis residents for the 2020-21 school year will be available April 13 through May 1. This process typically takes place in March and has been rescheduled to align with the District's review of current transfer policy and implementation of new boundary areas.

The school board is expected to consider a recommendation for revision of the current Transfer Policy in March. The boundary adjustment proposal will be presented to the school board at their March 5 meeting. The school board will be asked to vote on the proposal on April 9, 2020. The School Board will determine whether or not to approve non-resident transfers during a March meeting as required by state law. The School Board will only be making the decision whether or not any non-resident transfers will be open and will not be announcing available spots. The non-resident transfer application window will be March 9 – 27, 2020. Due to Oregon law, non-resident applications must be submitted by April 1 and could not be rescheduled to a later date. District administrators will analyze projected in-district enrollment numbers and the School Board will receive a recommendation to approve non-resident transfer spots by school and grade.

**Transfer requests for both residents and non-residents will be approved in mid-May and families will be notified.**

### **Inscripción para jardín de niños y ventana de transferencia inician el 13 de abril**

La ventana de transferencia del distrito y la inscripción a jardín de niños en el año escolar 2020-21 para los residentes de Corvallis estarán disponibles del 13 de abril al 1 de mayo. Este proceso generalmente se lleva a cabo en marzo y se ha reprogramado para alinearse con la revisión de la política de transferencia actual que está llevando a cabo el distrito y con la implementación de nuevos límites vecinales.

Se espera que la Junta de Consejo Escolar considere una recomendación para la revisión de la Política de Transferencia actual en marzo. La propuesta de ajuste de límites vecinales se presentará a la Junta de Consejo Escolar en su reunión del 5 de marzo. Se le pedirá a la Junta que vote sobre la propuesta el 9 de abril de 2020.

La Junta de Consejo Escolar determinará si aprueba o no las transferencias de no residentes durante una reunión en marzo, según lo exige la ley estatal. La Junta de Consejo Escolar solo tomará la decisión de si se abrirán o no transferencias a no residentes y no anunciará cupos disponibles. La ventana de solicitud de transferencia para no residentes será del 9 al 27 de marzo del 2020. Debido a la ley de Oregon, las solicitudes de no residente deben presentarse antes del 1 de abril y no pueden reprogramarse para una fecha posterior. Los administradores del distrito analizarán los números de inscripción proyectados para el distrito y la Junta de Consejo Escolar recibirá una recomendación para aprobar los lugares de transferencia a no residentes por escuela y grado.

**Las solicitudes de transferencia para residentes y no residentes se aprobarán a mediados de mayo y se notificará a las familias.**
