

Please Join Franklin School PTA!

Here Are the Top Three Reasons:

1. A powerful voice for all children. The #1 reason to join the Parent Teacher Association (PTA) is to benefit your child. In doing so, you also help our school. More than 30 years of research has proven that children do better when their parents are involved both at home and in school. Grades are higher. Self-esteem grows. Test scores rise. Schools improve.

2. A strong advocate for the education and well-being of every child. Every membership counts! When you the join Franklin School PTA, you also join the Oregon and National PTA and become part of a nationwide effort to improve the education, health, and welfare of every child. Membership numbers count in a significant way when our representatives are lobbying for funding for education in the Oregon legislature or in U.S. Congress.

3. A relevant resource for families and their school communities. PTA membership helps you connect with the school, the staff, and other parents and gives you a voice in deciding the direction of the Franklin School PTA. Only members can vote on PTA issues and hold a PTA office.

****Joining the PTA does not obligate you to volunteer service or attendance at PTA meetings — although we hope you will! ****

Joining is easy! Simply fill out the membership form on the back side and include dues of \$10 per person.
